

TRAS!

The title 'TRAS!' is rendered in a highly stylized, colorful font. The letters are filled with various patterns and colors: 'T' has a white background with small colorful squares; 'R' is solid yellow; 'A' features blue and white diagonal stripes; 'S' is a mix of yellow, green, and brown; and the exclamation point is yellow with a white outline. To the left of the main title are three circular elements: a small circle with a multi-colored dot pattern, a circle with a colorful geometric pattern, and a circle with a blue scribbled pattern.
